What are preferred shares?

Preferred shares represent partial ownership in a company, but unlike ordinary shares they do not give the holder voting rights. The advantage of holding preferred shares is that they generally receive a fixed dividend and the investor is entitled to be paid before ordinary shareholders. All equities trading on the ECSM are common shares.

The Board of Directors, Management and staff of the Eastern Caribbean Securities Exchange extend to all, best wishes for a healthy and prosperous 2018.
