And today's financial tip:

What does a Good Til Cancelled Order mean?

A Good Til Cancelled order means that an order to buy or sell stock is good until the order is filled or the investor cancels the order. For example, an investor may place an order with his broker to buy 1,000 DES shares and choose to have his order remain on the market until he is able to obtain the 1,000 DES shares, or until he decides to cancel the order.
