The Revised Treasury Bill Amendment Act 2003, Chapter 15:33, Sub-section 3(1), authorizes the Minister for Finance to borrow monies for public uses of the state by the issue of treasury bills. The authority also extends to the issue of such bills as may be required to pay off at maturity treasury bills already issued. The principal sums of treasury bills outstanding at any one time shall not exceed 40 percent of the estimated annual revenue of the state for the preceding

financial year as shown in the annual estimates of revenue and expenditure laid before the House of Assembly with respect to that year.

The Bond and Notes will be issued under the authority of the National Saving Development Bond Act (Amendment) Act No. 7 of 1982 as amended by the National Savings and Development Bonds (Amendment) Act, Cap. 15.25 of 2005 and through a Parliamentary Resolution Statutory Instrument No. 49 of 2014, passed in the House of Assembly on the 16th day of May 2014 and in the Senate on the 22nd day of May 2014 under the Constitution of Saint Lucia, the interest and principal repayments are a direct charge on the Consolidated Fund.

Bidding for each issue will commence at 9:00 a.m. and will close at 12:00 noon on each auction day, subsequent to which a competitive uniform price auction will be run at 12:00 noon.

The GOSL has been publicly rated by the Caribbean Information and Credit Rating Services Ltd. (CariCRIS). On 18th July 2014 the regional rating agency reaffirmed its ratings of *CariBBB* both foreign and local currency for the debt programme of the fiscal year 2014/2015 of the Government of Saint Lucia consisting of notes and bonds in the amount of US\$37 million, US\$38.0 million, US\$50.0 million, EC\$247.0 million, EC\$140.0 million and EC\$404.5 million. These ratings indicate that the level of credit worthiness of these obligations, adjudged in relation to other obligations in the Caribbean is adequate.

The GOSL assigns very high priority to honoring its debt commitments. It has an unblemished track record in meeting debt service obligations in a timely manner, and in complying with the terms and conditions of debentures and loan agreements.
