

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 21st May 2008.

Today on the Eastern Caribbean Securities Market, 4,400 TDC shares traded at \$13.15 up fifteen cents or 1.15% since its last traded price.

Although there were bids and offers for other listed securities there were no other matches, and thus there were no other changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

What is meant by the offering price?

It's the price per share at which a new or secondary distribution of securities is offered for sale to the public. It is also called public offering price.
