

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 26th March 2008.

On the Eastern Caribbean Securities Market today, 33 East Caribbean Financial Holding Company shares traded at \$15.00 unchanged since its last traded price and 945 S L Horsford & Company shares traded at \$1.85, up ten cents or 5.71% since its previous market close.

Although there were bids and offers for other listed securities there were no other matches, and thus there were no other changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

After having a successful purchase order through my broker dealer, how will my holdings be recorded at the Eastern Caribbean Securities Exchange?

After a successful purchase order your broker dealer receives the securities on your behalf. The broker will either continue to hold your securities for you or transfer the securities to an account in your name at the Eastern Caribbean Securities Registry, according to your instructions.
