

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 26th May 2008.

Today on the Eastern Caribbean Securities Market, 400 St Kitts Nevis Anguilla National Bank shares traded at \$3.00 unchanged from its previous traded price.

Although there were bids and offers for other listed securities there were no other matches, and thus there were no changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

What is the difference between a primary market and a secondary market?

A primary market is a market for new issues of securities where as the secondary market is the market where securities are bought and sold subsequent to the original issuance.
