

## **ECSE DAILY NEWS REPORT**

Welcome to the ECSE daily trading report for 28<sup>th</sup> May 2008.

Today on the Eastern Caribbean Securities Market, 1,646 East Caribbean Financial Holding Company shares traded at \$15.00 holding firm on its previous traded price.

Although there were bids and offers for other listed securities there were no other matches, and thus there were no changes in the market prices of the securities trading on the ECSM.

### **And today's financial tip:**

#### **What are marketable securities?**

They are securities that are easily sold. On a corporation's balance sheet, they are assets that can be readily converted into cash – for example, government securities, banker's acceptances and commercial paper.
