Welcome to the ECSE daily trading report for 7th November 2007.

Today on the Eastern Caribbean Securities Market, 2,707 shares of Bank of Nevis traded at \$5.25 per share, an increase of twenty-five cents or 5% on its previous market close.

And today's financial tip:

How will I know the balance on my account after I have successfully bought shares?

After a successful trade the broker will inform the buying investor of his success. Shortly after settlement on the following day, the broker will transfer the securities into the investors' account. The Eastern Caribbean Central Securities Registry records the activity and mails out an account activity statement on the afternoon of the transfer. The statement provides details of the transfer and the new account balance.
