

ECSE DAILY TRADE REPORT

Welcome to the ECSE daily trading report for 31st December 2007.

Today on the Eastern Caribbean Securities Market, 2,000 Trinidad Cement Limited shares traded at \$3.55 unchanged since its last traded price. Although there were bids and offers for other listed securities there were no other matches, and thus there were no changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

How do I trade securities that I own jointly?

Any dealings with securities that are held jointly must be done with the consent of all the holders. If you wish to sell jointly held securities, all the holders should sign the instructions that are given to the broker.
