

ECSE DAILY NEWS REPORT

Welcome to the ECSE daily trading report for 31st August 2007.

Today on the Eastern Caribbean Securities Market, 900 shares of East Caribbean Financial Holding Company traded at \$12.50 per share, unchanged from its previous market close and 250,000 units of the Government of St Lucia's 10-year bond LCG100714 traded at 7.00%. Although there were bids and offers for other listed securities there were no other matches and thus there were no changes in the market prices of the securities trading on the ECSM.

And today's financial tip:

When a company lists on the ECSE shareholders are sent a form, 'Information on Shareholders' requesting personal data on the shareholder – is this necessary?

Yes, it is very important that shareholders complete and submit the 'Information on Shareholder form'. The information collected via the form is used to update the registry records and is used to identify callers seeking information on registry accounts.
