And today's financial tip:

As a shareholder am I entitled to attend the company's Annual General Meeting?

For upcoming Annual General Meetings companies set specific dates for determining the list of shareholders entitled to attend the meeting. For example, if TDC is expecting to hold an Annual General Meeting, a record date is set to determine which shareholders should be sent the annual report and proxy forms. If you became a shareholder after that date you are not entitled to attend TDC's Annual General Meeting.
