### **And today's financial tip:**

#### **What do we mean by dematerialization?**

Dematerialization means a non-material or un-certificated environment. This means that investors will no longer need to hold certificates to confirm proof of ownership. Once shares are purchased, you will not be given a certificate, instead a letter showing confirmation of the proof of ownership. Your shares will be held in electronic form at the Eastern Caribbean Central Securities Registry Ltd. (ECCSR), a subsidiary of the ECSE.
