QUARTERLY REPORT

October 2010 – June 2011

Results of Operations

Sales for the six months ended 30 June 2011 were \$75,573,237 against \$93,136,208 in 2010 an apparent decrease of 18.7%. It should be noted that consumption tax was part of the sales figure in 2010 and was replaced by VAT which is a tax on sales; this effectively reduced the dollar amount of sales. Net profit for the period was \$6,725,148 compared to \$8,732,691 the previous year; a decrease of 23.0%

The company-owned gas station on Wellington Road re-opened in mid-April under the Sol brand. The station had been closed from March 2010.

There was a further slowing down of the economy over the last three months with a corresponding contraction in business. Outlook for the remainder of the year is for more of the same. Management continues its vigilance in the management of working capital.
