

ECSE NEWS REPORT

Summary Trading Report for the week ending Friday, 6th June, 2003

The first Treasury Bill Issue offered by the Government of St. Vincent and the Grenadines via the RGSM platform in March of this year will mature on 24th June 2003 and there will be a replacement Issue of similar duration auctioned shortly thereafter. Investors in the existing Issue who intend participating in June's auction must ensure that their licensed intermediary has their bank account details. This is in order to facilitate the process by which the maturity proceeds due can be paid to investors and then be made available for re-subscription to June's offering.
