ABSTRACT

Reasons for Addendum:

To change the auction and issue date of Treasury Bill LCB120423 from October 13, 2022 to October 17, 2022 and the trading symbol from LCB120423 to LCB160423.

Auction Date	Issue Date	Instrument Type	Issue Amount	Maximum Rate (%)	Maturity Date	Trading Symbol
October 17, 2022	October 18, 2022	180-day T-Bill	EC\$10.0M (10)	4.0%	April 16, 2023	LCB160423

The Revised Treasury Bill Amendment Act 2003, Chapter 15.33, Sub-section 3(1), authorizes the Minister for Finance to borrow monies for public uses of the state by the issue of treasury bills. The authority also extends to bills which may require pay off at maturity and the reissuance of the same. The principal sums of treasury bills outstanding at any one time shall not exceed 50 percent of the estimated annual revenue of the state for the preceding financial year as shown in the annual estimates of revenue and expenditure laid before the House of Assembly with respect to that year.

The GOSL has been publicly rated by the Caribbean Information and Credit Rating Services Ltd. (CariCRIS). In June 2020, CariCRIS lowered the assigned ratings of several debt programmes of the Government of Saint Lucia (GOSL) by one notch to CariBBB- (Foreign Currency and Local Currency Ratings). The ratings on Saint Lucia continue to reflect: (1) its monetary and exchange rate stability underpinned by membership in a quasi-currency board arrangement, (2) a relatively diversified economic base, and (3) the sovereign's sound financial sector. These rating strengths are tempered by: (1) the worsened fiscal position and significantly increased GOSL's indebtedness brought on by the COVID-19 pandemic, and (2) international reserves are being put under pressure with the severe loss of tourism earnings. According to CariCRIS the assigned ratings indicates that the level of credit worthiness of the obligator in relation to other obligations in the Caribbean is adequate.

Bidding for each EC Dollar issue will commence at 9:00 a.m. and will close at 12:00 noon on each auction day and 9:00 a.m. to 11:00 a.m. for each US Dollar issue subsequent to which a competitive uniform price auction will be run at 11:00 a.m. and 12:00 noon respectively.

The interest and principal repayments are a direct charge to the Consolidated Fund.
