NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE MONTHS ENDED SEPTEMBER 30, 2026

1. Corporate Information

Grenada Electricity Services Limited (the Company) is public and is registered in Grenada. It is engaged in the generation and supply of electricity throughout Grenada, Carriacou and Petit Martinique. The Government of Grenada owns the majority of its shares (71.4%) as of December 24th, 2020.

The Company was issued a certificate of continuance under Section 365 of the Companies Act on November 8th, 1996.

The Company operates under the Electricity Act 19 of 2016 and has a licence for the exercise and performance of functions relating to the supply of electricity in Grenada. The Company is listed on the Eastern Caribbean Securities Exchange.

The registered office is situated at Grand Anse, St. George, Grenada.

2. Basis of Preparation

The interim financial report for the period ended September 30, 2026, has been prepared in accordance with IAS 34, 'Interim Financial Reporting', and should be used in conjunction with the annual financial statements for the year ended December 31, 2025.

3. Significant Accounting Policies

The accounting policies adopted in the preparation of the interim financial statements are consistent with those followed in the preparation of the annual financial statements for the year ended December 31, 2025.

4. Use of Judgements and Estimates

In preparing these interim financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgements made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied in the financial statements as at and for the year ended December 31, 2025.
